

Additional Data Sources

JusticeXchange is the integrated justice solution giving criminal justice professionals an instant, up-to-date database of booking records, warrants, and other data from thousands of agencies across the country. Analytics, including the ability to map incident reports and view relationships, help users analyze the data being presented.

Additional records can be made available in JusticeXchange if desired. These include probation/parole interstate transfer cases and the Social Security Administration Death Master File.

Probation/Parole Interstate Transfer Cases

Probation and parole interstate transfer cases from the Interstate Commission for Adult Offender Supervision are available through JusticeXchange. This data is being obtained from all 50 states and includes:

- Photo
- Employment information
- Charges
- Criminal and compact cases
- And much more

*"I have over 20 years of law enforcement experience, and I wish we had this type of technology earlier in my career."*

Lieutenant Jack Riley  
University of Arkansas for Medical Sciences  
Police Department

Social Security Administration Death Master File

The death master file contains records of individuals who have passed away in the United States mostly after 1962. Returned fields include (if available):

- Social Security Number
- First, middle, and last name
- Name suffix
- Birth and death dates

*This data source is expected to be available sometime in 2010.*

Put These Data Sources to Work for You

Let us show you how these additional data sources can meet your information and data-gathering needs. For more information, contact Appriss at 1-866-Appriss, Option 2, informationservices@appriss.com, or www.appriss.com/justicexchange.
